Frontier Infant Age and Lap-Travel Rules

Frontier Airlines welcomes infants as young 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) as seven days old, allowing babies to fly free on an adult's lap until their second birthday. Only one lap infant is permitted per adult traveler, 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) and airline staff may request a birth certificate for age verification at the gate. Because these rules are strictly 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) enforced for safety, it is wise to carry documentation. For personalized help confirming your infant's eligibility or booking requirements, call 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK).

Boarding Pass and Reservation Requirements

Even lap infants must be added 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) to your reservation and issued a boarding pass before travel. This requirement ensures accurate passenger counts and federal compliance on 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) every flight. Since infant additions cannot always be completed through the website or mobile app, contacting 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) customer service directly is often the fastest solution. To add your baby to an existing booking or resolve boarding-pass issues, dial 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK).

Baggage, Strollers, and Car Seats

Families traveling with a lap infant 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) may bring a second personal item, such as a diaper bag, at no extra charge beyond

their standard allowance. Strollers and car seats can be 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) gate-checked for free and do not count against your carry-on or checked-bag limits. You may also wheel your stroller 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) through the airport until boarding. For clarification on size restrictions or baggage rules, reach out to Frontier at 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK).

FAA-Approved Restraints and Onboard Safety

If you purchase a 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) separate seat for your infant, you may use an FAA-approved car seat or child harness onboard for maximum safety. Car seats cannot be placed in exit rows, 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) the rows directly before or behind them, or the first row. Look for the label stating the device is approved for motor vehicle and aircraft use. For guidance on accepted restraint systems, contact 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK).

Family Seating and In-Flight Comfort

Frontier guarantees adjacent 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) seats for children 13 and younger and an accompanying adult at no additional cost, provided adjacent seats are available when you book. Breastfeeding is fully 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK) supported during flights, and formula or breast milk exceeding 3.4 ounces is permitted in carry-ons per TSA guidelines. To confirm family-seating policies or discuss onboard accommodations, call 🎯 1-877-777-3504 (US) | 44-204-586-5278 (UK).
